Whole Plant Powder, Anti-Caking Agent Silica, Cupric Gluconate, Vitamin K-1 (Phytomenadione), Vitamin D-3 (Cholecalciferol).

INTAKE: Three tablets twice a day. Six tablets supply 600 mg of Calcium and 300 mg of Magnesium, plus other synergistic nutrients for optimal utilization.

Food supplements should not be used as a substitute for a diversified diet. Do not exceed recommended amount. Store and keep out of reach of young children. As with all supplements, please consult your physician prior to taking if you are pregnant or attempting to become pregnant, breast-feeding, under a doctor's care or taking prescription medication.

This unique product contains PolyCalPlex and PolyMagPlex proprietary blends of high-quality Calcium and Magnesium sources. CalMag Plus also contains Betaine HCl and L-Glutamic Acid to enhance Calcium absorption, plus Alfalfa and Kelp as sources of trace elements synergistic with Calcium and Magnesium. CalMag Plus is formulated in the exclusive PhytoZyme® base.

This product was not tested on animals.
