

Glimpse into the World of Lifeplus

Here at Lifepus, we believe success is built on great relationships.

For that reason, one of the most fundamental areas we focus on within our event programme is ensuring we meet with our upcoming business leaders and get to know them on a more personal level as they continue to share Lifepus and their story with others whilst inspiring many on their own wellbeing journey.

Bronze Members, who meet the relevant qualification requirements*, are invited to visit Lifepus Europe in the UK or the Netherlands on a four-day business trip for a chance to network and build relationships not only with Lifepus colleagues but also with each other.

One of the highlights of the trip is visiting the European facilities. Members will hear from Malcolm Vincent, Managing Director, as well as from various departments.

They get the chance to learn more about the many ways Lifepus supports them whilst growing their community – from placing an order, shipping products to paying commissions on time. During a visit to our Contact Centre, visitors have the opportunity to put a face to a name and a voice to the colleagues they are always talking to on the phone. Another exciting highlight is hearing the inspiring stories from attending Diamond Members.

Glimpse into the World of Lifeplus

There is also a chance to take part in some fun team-building activities!

The trip concludes with a farewell meal and evening party. This is a time when Members can reflect on the week and what they have learnt and continue networking with other attendees, sharing stories and making new friends.

Our visitors leave us full of energy and with further business knowledge, encouragement and reassurance that Lifeplus is exactly who we say we are – friendly people working hard to support others achieve their best.

For more information on our Bronze Visits, call the Lifeplus Europe Contact Centre. Telephone numbers can be found on our website at lifeplus.com as well as a list of all of our upcoming events. Alternatively e-mail us on visit@lifeplus.com. We hope we get to see you soon!

* Our qualification criteria require Members to have reached Bronze three times consecutively in the 12 months leading up to their chosen visit date.
