

# The Lifeplus Diamond Cruise 2017

At Lifeplus, we believe in rewarding the hard work and dedication of those who have embraced the business and consistently achieved the top ranks of success in their business.

That's why we treat our top achievers to a once-in-a-lifetime cruise in the Caribbean, accompanied by Lifeplus executives from both our US and UK offices.

It's our sun-soaked way of saying "thank you!" Qualifying Diamond partners from around the world join us once a year to begin their high seas adventure, departing from one of the world's most glamorous and sun-soaked cities – Miami.

Once on the open water, everyone has a chance to greet friends old and new and congratulate one another on the achievement of qualifying for this fabulous cruise with various celebrations held throughout the week.

The cruise features numerous stops and sightseeing opportunities throughout the trip. Partners will have the chance to snorkel Turtle Cove, visit Butterfly Gardens and Coral World, swim with the dolphins, catamaran sail, kayak, hike and explore – and of course relax on some of the most beautiful beaches in the world.

Amidst all the fun, it is a great opportunity for associates to build an understanding of the company's next steps, help them make plans for their own Lifeplus businesses, and all in a relaxed and luxurious setting!

Once qualified\* and have confirmed you'll be joining us for this trip, you will receive a Cruise Booklet that will include everything you need to know about travel, what to expect, what you will need to do (including a check list) to make the 2017 Diamond Cruise an incredible experience. But, if you would like more general information on the Lifeplus Cruise, please speak to your sponsor or call the Lifeplus Customer Service Center.

#### \*Qualifications for the 2017 Diamond Cruise
