INTAKE: 12,6 grams (one level 20 cc scoop) shaken vigorously in about 240–360 ml (8–12 ounces) of your favourite juice. Drink immediately. To prevent choking, this product should be taken with at least a large glass of liquid. Drink an additional 240–360 ml (8–12 ounces) of liquid within the next hour for best results.

Do not take this product if you suffer from intestinal blockage or if you have difficulty in swallowing. Food supplements should not be used as a substitute for a varied diet. Do not exceed recommended daily amount. Store and keep out of reach of young children. As with all supplements, please consult your physician prior to taking if you are pregnant or attempting to become pregnant, breast-feeding, under a doctor's care or taking prescription medication.

This product was not tested on animals.
